RESPONSE

Enclosed is a substitute specification in compliance with 37 CFR 1.52 having all hand lettering eliminated except on papers that are part of prior copyright registrations, which could not be changed or it would violate the copyrights. Note: the initial examiner for the earlier patent application, by the inventor, for the use of the internet as an inventive/creative tool (Application No. 09/728,370, Filing Date: 12/04/2000) accepted such hand letterings without comment.

Finally, another page that was not changed was the copy of the letter to First Lady, Laura Bush (Appendix C) as that is the way the letter was originally mailed.

Also enclosed is a copy of the original notice sent by the PTO.

Respectfully,

James A. Lehman
